# LEGAL DISCLAIMER

We recommend reading this whitepaper before deciding to purchase an Kunacoin. Kunacoin will do its best to achieve what is stated on its roadmap, tokenomics, and the like declared in this whitepaper. In the event of unexpected circumstances, Kunacoin reserves the right, to modify, add, or remove parts of this whitepaper. During those cases, rest assured that our decision will prioritize and will place our community's interest above all. Also, it is the purchaser's responsibility to research the laws binding cryptocurrencies, such as Kunacoin, in their localities.

# LEGAL DISCLAIMER

For any loss or harm originating from the use of this website's material, including written material, links to third-party sites, and data such as quotes and charts as well as buy/sell signals. Kunacoin token will not be held responsible for any damages. Understand the risks and costs associated with trading assets on the financial market (digital or otherwise). ICOs, in particular, are one of the riskiest investment choices available to investors.

# ABSTRACT

The token is connected to a platform for the sale of Croatian public credit, it is an additional service of the platform. the idea of the token is to convert each customer's public credit euros into the Kunacoin. The credits will be distributed to all the companies and people that have benefited from the assignment of the credit to both individuals and companies. You thus have the opportunity to exchange your credits on an alternative platform to the state one. Lightning courses through the fur and unique plating of this fanged wyvern. It is most deadly in its supercharged state.

# FAIRER LAUNCH

Kunacoin tokens are sold to every participant fairly. The tokens are fully available to everyone for purchase at the same price.

Unlike other currencies that only focus on marketing, we created a token that helps merchants and ordinary people to have their money and investments in their wallet regardless of the amount they want to have in a digital way and with the ambition of being able to have the digital world and the virtual world in one click, we are based on the community and for the community, backed by a strong development team.

# OUR OBJECTIVE

Kunacoin was created and designed for the community, our objective is to be number one with the best benefits for our community, it was created by a dynamic and creative team where cryptocurrencies will become a lifestyle for users. We will provide our users with a safe, honest and effective contract to keep them on our platform and for the same users to help us grow. Our commitment is to provide a quality, timely, fast and agile service, token is to help our users with their growth day after day, we will not be a community but a great digital team.

# OUR VISION

Kunacoin will be the one that will unite technology and people with world economic growth. We will let the rewards, benefits and raffles of our token be ways for our users to increase their profits day after day and that this is the step for recognition among other communities. stakeholders, this gives our token a premium status, providing positive and secure income and our users can have the peace of mind and expected profitability.

**"We are and we are here to think about our token community."**

# SUSTAINABILITY

- We facilitate the transaction and bring them closer to a wider audience. An added benefit of use is that it's completely decentralized, so trading can be done freely across borders.
- The use of technology will facilitate a financial revolution that will leave everyone more financially connected, empowered, and enabled. It has no border so these can be used no matter where you are located globally.
- This also has a huge effect on international payment fees. Traditionally international transfers have much higher fees than domestic transfers and payments. International payments and transfers with crypto are the same as domestic.

# ADVANTAGES

## **Payment Widget**

The payment widget will allow websites to easily accept payments in multiple tokens and Custom Coins on any website. The widget may be connected to any Payment Gateways to the Kunacoin.

## **No Built-In Fees**

Other than very small transaction fees, complete payment gateways can be created and no built-in fees or costs are imposed

## **Native Support**

The Gateway smart contract can be configured to accept all multiple coins or a list of specific token types.

## **Build your own customized Gateway**

As a provider, you can implement your own desired features, such as web invoices, email/SMS notifications, refunds, and more by building on the open-source code and examples provided in the Kunacoin token.

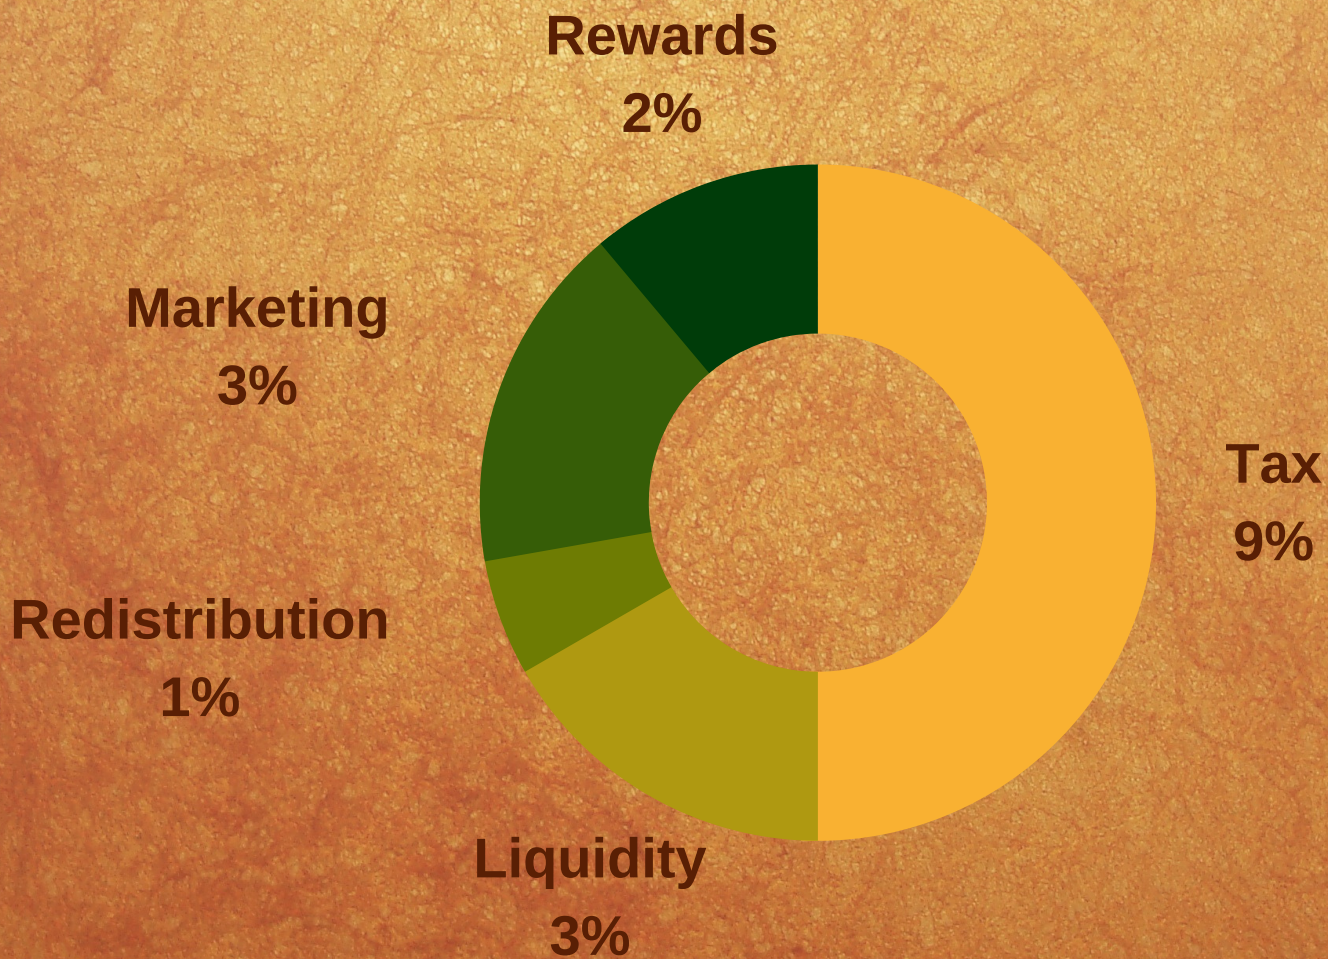

## WHY KUNA?

- Holders Kunacoin will earn by 1% for each transaction buy/sale . The longer hold the more reflection holders will get and growing COM token.
- Liquidity LP locked for 1 month , smart contract Audit and team developer and project owner KYC, doxed, rug fee .Meaning your investments are safe.
- As project owner/developer team we will working hard 24/7 to delivery on time as smoothly as possible so our goal can hit everyone's best interest..
